Brainstorm & Idea Prioritization Template:

This brainstorming exercise identifies the key analyses and story insights presented in the Electric Vehicle Market Performance & Insights dashboard. It covers EV sales by region and model year, leading manufacturers, price and range, battery degradation, and customer ratings by vehicle category and manufacturing country.

Step 1: Brainstorm and Idea Listing

Each team member lists out as many ideas as possible without judging them at this stage.

S.No.	Idea / Suggestion	Category
1	Compare total EV sales units across market regions	Regional Sales
2	Identify the top 10 manufacturers by annual sales units	Manufacturer Performance
3	Show annual sales trends by model year from 2018 to 2026	Sales Trend
4	Explore the relationship between average vehicle price and average range	Price and Range
5	Compare average battery degradation percentage by battery type	Battery Performance
6	Compare customer ratings across vehicle categories and manufacturing countries	Customer Ratings

Step 2: Idea Prioritization

Rate each grouped idea on feasibility and importance, then select the final idea(s) to move forward with.

Idea	Feasibility	Importance	Priority	Selected
Sales by region	High	High	High	Yes
Top 10 manufacturers	High	High	High	Yes
Sales trend by model year	High	High	High	Yes
Price vs range	Medium	High	High	Yes

Idea	Feasibility	Importance	Priority	Selected
Battery degradation by type	Medium	High	High	Yes
Customer rating heatmap	Medium	Medium	Medium	Yes
